

Southwest Center
for Arithmetic Geometry

ARIZONA WINTER SCHOOL 2018

Department of Mathematics
The University of Arizona®

Deadline to apply for funding:
November 10, 2017

<http://swc.math.arizona.edu>

IWASAWA THEORY

John Coates

Classical algebraic Iwasawa theory

David Loeffler and Sarah Zerbes

Euler systems

Romyar Sharifi

Modular curves and cyclotomic fields

Christopher Skinner

*Iwasawa theory, modular forms,
and elliptic curves*

TUCSON, MARCH 3-7, 2018

Funded by the National Science Foundation
and organized in partnership
with the Clay Mathematics Institute

University of Arizona

Arizona Winter School 2018 Iwasawa Theory

Notes By: Caleb McWhorter

March 2018
